

Toad[®] by Quest[®] Subscription Products

Same great Toad features available in an affordable model

For over 20 years, Toad[®] by Quest[®] has been the most effective and advanced premier productivity solution for database and data professionals.

Toad was one of the first Oracle integrated development environments (IDEs) of its kind. Written in 1995 by a developer for developers as a freeware tool, Toad for Oracle and our family of other Toad products are now used by more than 3 million people worldwide, including developers, database administrators (DBAs), analysts, managers, support engineers and many others. Toad has an ardent following of extremely loyal users and their enthusiasm is apparent at trade shows and in countless Toad user groups around the world.

Toad Subscriptions are available for:

- [Toad for Oracle Subscription](#)
- [Toad Edge Subscription](#)
- [Toad for SQL Server Subscription](#)

About Quest Software

Quest Software creates technology and solutions that build the foundation for enterprise AI. Focused on data management and governance, cybersecurity and platform modernization, Quest helps organizations address their most pressing challenges and make the promise of AI a reality. Around the globe, more than 45,000 companies including over 90% of the Fortune 500 count on Quest Software. For more information, visit www.quest.com or follow Quest Software on X (formerly Twitter) and LinkedIn.

Benefits:

- All the great award-winning Toad features you have grown to love
- Access to our world-class support team, Knowledge Base, how-to videos and more
- Quest Auto Update keeps you on the latest version, all the time to ensure you keep current as new desktop security threats are uncovered and addressed in new versions of Toad
- Online License Management enables Toad customers to assign licenses to individuals, keep track of individual usage and reassign unused or under-used licenses as needed to ensure license compliance
- Auto Renew ensures that your Toad for Oracle Subscription will be continuously available to users until such a time as they actively plan for end of use of the product
- Stay informed about ongoing learning events like our Ask Toad series and relevant content
- Leverage a community of millions, including peers and experts in Toad World
- First access to upcoming subscription-only features like persistent settings and more
